

## Faculty of Computer, Ain Shams, celebrates new students

Prof. Dr. Nagwa Badr, Dean of Faculty of Computer and Information Sciences at Ain Shams University, opened the welcoming ceremony of new students, which was organized by the Faculty of Students' Union in cooperation with the Department of Youth Welfare at the Faculty and the Department of Public Relations.

During her speech, she confirmed that the Faculty witnessed a great development and unprecedented modernization in the computer and information sector in Egypt during the current year. This was evident in the increased coordination of acceptance by 4% over last year, reflecting the increasing demand for computers and information.

She explained that the Faculty of Computer and Information at Ain Shams University has witnessed a big boom in development. The faculty has been provided with more than 80 computers, bringing the number of laboratories to 20 labs equipped with the latest technologies in the field of computer and software.
