Faculty of Al-Ahsun's students launches a student activity entitled "React"

The students explained that "React" aims to reduce the gap between scientific life and practical life and is the first student activity in Faculty of Al-Ahsun for ten years.

The activity aimed at inviting students to join the organizational committees consisting of seven committees: Human Resources, Public Relations, Media, Resources, Logistics, Marketing, Coordination and Decoration, and Financial Relations. This is through several lectures and practical training in preparation for the labor market and reduce the gap between scientific life and working life.
