Workshop on the Egyptian Knowledge Bank targeting the faculty staff at the University

The Egyptian Knowledge Bank held a workshop on 12-13 November at the Faculty of Commerce, Ain Shams University. The workshop provides important information about the latest searches and easy access to information from various research sites, periodicals and scientific books. The workshop will include new information on the knowledge-based search engines of the Knowledge Bank, and a team will be provided to explain how to solve any problem that researchers may encounter while using the Knowledge Bank website.

Attendees of the workshop will also receive statements issued within a week.

The workshop will be attended by trainers from the Knowledge Bank and specialists from the Supreme Council of Universities, targeting faculty members, support staff, researchers and graduate students.

**President of Ain Shams University and Saudi Ambassador
discuss the conditions of international students**

Prof. Dr. Mahmoud El- Metini, President of the University, met with Ambassador Osama bin Ahmed Nakli, Ambassador of the Kingdom of Saudi Arabia in Egypt, at the headquarters of the Saffron Palace, where the two sides discussed aspects of joint cooperation in the presence of Prof. Dr. Khalid Al-Nami, Saudi Cultural Attaché and Dr. Abdullah Al-Hamad, Head of Universities Department, Saudi Cultural Attaché.

The President of the University, the Saudi Ambassador and his delegation also met with a group of Saudi students coming to study at Ain Shams University.

The Saudi Ambassador affirmed his pride in his second homeland Egypt, praising Ain Shams University as an ancient educational edifice at the level of the Arab world as a whole with an honorable international reputation.

Prof. Dr. Mahmoud El-Metini said that the university plays a great role not only in education and scientific research, but also in changing the thinking and developing the personality of the student to keep pace with and accommodate the variables around him in various fields locally and internationally.

He pointed out that the university study stage is full of many experiences, which requires the need to invest this stage and benefit from it as much as possible, and not to stand at any
