### **13 computer labs at Ain Shams University to provide electronic coordination services for high school students**

High school students flocked to the electronic coordination laboratories of Ain Shams University, as Ain Shams University has allocated 13 computer labs distributed over five campuses to ensure the provision of service to students and their families on a large scale under the auspices of Prof. Mahmoud El-Metini, President of the University and the supervision of the Vice President for Education and Student Affairs.

Where two headquarters were allocated at the Faculties of Arts, Computers and Information on the main university campus in Abbasiya (extension of the Caliph Al-Ma'mun) and another headquarters at the College of Engineering in Abdo Basha Square in Abbasiya and the Girls 'College in Heliopolis Al-Merghani Street and the College of Agriculture in Shubra al-Khaimah to allow the registration of wishes electronically through the electronic coordination website [www.tansik.egypt.gov.eg](http://www.tansik.egypt.gov.eg)

Teams of trained administrators have also been allocated to conduct electronic coordination work to provide the necessary assistance and guidance to students and their families, and waiting places have been allocated in which all necessary precautionary measures are available.
