The university continues to support its students by providing discounted mobile packages and SIM cards in cooperation with Orange Company

In this context, Prof. Dr. Abdel Fattah Saud said that Ain Shams University spares no effort in implementing everything that would facilitate the educational process for our students, especially in the circumstances of the global pandemic, pointing out that the right to education is not prevented by any circumstances or difficulties, but rather we are always working to overcome them to ensure that students achieve the destiny. The necessary learning is through all the electronic educational platforms launched by the university and the University Education Development Department, which was a pioneer in this regard.

At an open-air lunch ... a dialogue from the heart and mind between the Vice President of the University and the students of the University City

It was not the first time that Prof. Dr. Abd Al-Fattah Saoud, Vice President of Ain Shams University, his children are students residing in the university city by sharing with them one table of food ... He stands to take a turn until he gets his meal just like any student living in the university city. He sits with them all affectionately at one of the tables in the open restaurant, then exchanges with them. Talk in an atmosphere of intimacy and intimacy in which feelings of parenthood and friendship are mixed with the burdens of responsible leadership at the same time.
