

Joint Institute for Nuclear Research

Academy of Scientific Research & Tehcnology

Cairo, Egypt

Dubna, Russia

## The 7<sup>th</sup> Advanced Summer School

Within the frame of the signed agreement between the Ministry of Scientific Research (Arab Republic of Egypt) and the Joint Institute for Nuclear Research (JINR-Dubna, Russia) the 7<sup>th</sup> Advanced Summer School will be organized

Ministry of Scientific Research (Arab Republic of Egypt) and the Joint Institute for Nuclear Research (JINR-Dubna, Russia) the 7<sup>th</sup> Advanced Summer School will be organized in Dubna University Center (UC),

<http://www.asrt.sci.eg/ru/events.asp?id=55&language=eng>

The topics of the School are listed on the UC site: [Projects and their description](#). Please fill in the attached Registration form. Please select only 2 projects from the list according to your preference.

A limited number of young researchers from Egyptian universities and research centers will be selected. Those who are enrolled in high education programs are invited to apply as soon as possible.

School fees, traveling tickets, accommodation and pocket money will be covered by the budget of the joint ARE-JINR agreement.

The selected candidates will be informed by email and will be also announced on the website of ASRT [www.asrt.sci.eg](http://www.asrt.sci.eg). Deadline for application is April 3, 2015

Please send your complete application to: [hsamman@aucegypt.edu](mailto:hsamman@aucegypt.edu)

Prof. Tarek Hussein

Prof. Hussein El Samman
