## Specialized Translation Program **Russian**

## Why the Specialized Translation Program in Russian?

1 The program is the oldest of its kind in the field of translation in Egypt and the Arab world.

2 It introduces students to written and oral translation techniques across various fields, including political, economic, scientific, technical, legal, tourism, literary, and military translation.

3 It enables students to acquire skills and experiences that set them apart from those in traditional programs, thanks to the increased number of practical training hours in translation.

4 It offers outstanding opportunities for student exchange and academic training through agreements signed with prestigious Russian universities.

### Language of Instruction

Specialized courses are taught in **Russian** as the primary language, in addition to courses taught in **Arabic**, as well as in **English** as a second foreign language.

### Number of Study Years / Credit Hours Required for Graduation

A four-year program comprising 144 credit hours, divided into four levels over eight semesters (with a minimum duration of 14 weeks per semester).

### Field Training During Study

- Field training is a graduation requirement, whereby the student must finish 60 hours of training.
- The program qualifies its students for training at various organizations, such as:
  - Tourism companies
  - Airlines
  - Media institutions
  - Information technology companies
  - Schools

## Agreements and International Cooperation

- Student exchange and training agreements with Moscow State University, Saint Petersburg University, and Penza State University.

## Career Opportunities After Graduation

- Conference translation
- Employment in national projects implemented by the state in cooperation with the Russian Federation (such as the El-Dabaa nuclear power plant, the Russian Industrial Zone in Suez, and mining and petrochemical projects)
- Work in the tourism sector and telecommunications industry
- Teaching in schools and universities
