Specialized Translation Program in German

Why the Specialized Translation Program in German?

1

The department is one of the oldest in the Arab Republic of Egypt dedicated to the study of German linguistics, literature, and translation.

2

The Specialized Translation Program offers modern courses aligned with labor market demands, such as screen translation, interpreting, and computer-assisted translation.

3

It provides a rich and modern academic environment under the supervision of specialized professors.

4

It collaborates with prestigious international institutions to enhance the quality of education.

5

It offers summer scholarships for its students to study abroad in collaboration with the German Academic Exchange Service (DAAD).

6

It offers training opportunities in collaboration with the Goethe-Institut.

Language of Instruction

Specialized courses are taught in **German** as the primary language, in addition to courses taught in **Arabic**, as well as in **English** as a second foreign language.

Number of Study Years / Credit Hours Required for Graduation

A four-year program comprising 144 credit hours, divided into four levels over eight semesters (with a minimum duration of 14 weeks per semester).

Field Training During Study

- Field training is a graduation requirement, whereby the student must finish 60 hours of training.
- The program qualifies its students for training at various organizations, such as:
 - Tourism companies
 - Airlines
 - Media institutions
 - Information technology companies
 - Schools

Agreements and International Cooperation

- **Close ties with the German Academic Exchange Service (DAAD)**, providing summer scholarships for students to attend language courses at German universities.
- **Collaboration with the Goethe-Institut** to implement professional training programs that prepare students for careers in German-language customer service.

Career Opportunities After Graduation

- The diplomatic corps and international organizations
- News agencies and international broadcasting services
- Translation and localization offices
- Telecommunication and customer service companies
- Multinational corporations
- Teaching in schools and universities
