

AIN-SHAMS UNIVERSITY
FACULTY OF EDUCATION

CHEMISTRY DEPARTMENT

ABOUT US

The Department of Chemistry, with its educational service, aims to prepare a chemistry teacher qualified to teach chemistry and science courses theoretically and practically.

Moreover, within the framework of the educational and scientific role entrusted to the department, the student studies with a credit hour system of 149 credit hours, in which the hours of academic specialization are 95 credit hours, and the other hours vary between educational and cultural courses, field training and graduation project

EDUCATIONAL PROGRAM

UNDERGRADUATE PROGRAM

- Bachelor of Science and Education (Preparatory and Secondary), chemistry major (in English)

BRANCHES OF CHEMISTRY TAUGHT IN OUR DEPARTMENT

Organic
Chemistry

Inorganic
Chemistry

Bio-
chemistry

Physical
Chemistry

CAREER FIELDS

Teacher at
Language
Schools
(National)

Teacher at
IG and IB
Schools
(International)

Academic
Field in Egypt
and Foreign
Countries

Medical
Representative
at
Pharmaceutical
Companies

Teacher at
Experimental
Schools

STUDENT ACTIVITIES

Scientific Competitions

Scientific Visits

- Factories
- Research centers

Chemical Society

Chemical Industries

Magic Chemistry

Graduation Projects

Students focus on innovative scientific research in advanced topics and have the opportunity to showcase their work by publishing research papers in the faculty journal.

MORE ABOUT OUR DEPARTMENT

The Department of Chemistry includes a distinguished elite of faculty members and Demonstrators, as well as a large group of administrators, laboratory specialists and workers.

The Department also contains many integrated laboratories that are fully equipped to enable students to deal with them in a safe and exciting manner.

Head of the Department
PROF. DR. MOHAMED ABASS MOHAMED

Vice Heads of Department (Heads of Divisions)
PROF. DR. SAHAR ABDEL DAYEM EL MOLLA (PHYSICAL CHEMISTRY)

PROF. DR. MAGDY SHEBL SALEH
(Inorganic Chemistry)

PROF. DR. MAGDY AHMED IBRAHIM
(Organic Chemistry)

Director of Academic Advising Unit
ASSOC. PROF. MAI SALEH ABDEL-MAQSOU

SUPERVISOR OF SCIENTIFIC ACTIVITIES
PROF. DR. ADEL A. EMARA
