Career Objective

Motivated and results-driven Healthcare Quality consultant and Lecturer with over eight years of progressive leadership in healthcare quality, accreditation, and patient safety across major university hospitals. Proven ability to lead multi-hospital accreditation projects, develop quality systems, and drive organizational excellence. Seeking senior leadership roles with growth potential, strategic responsibility, and competitive compensation.

Professional Experience

Lecturer – Healthcare Quality Department

Faculty of Medicine, Ain Shams University (ASU) | June 2025 – Present

- Teaching undergraduate and postgraduate medical students in healthcare quality.
- Supervising academic research and mentoring junior faculty.
- Leading capacity-building activities in patient safety and risk management.

Assistant Lecturer – Healthcare Quality Department

Faculty of Medicine, ASU | Nov 2020 – Jul 2025

- Delivered academic teaching in healthcare quality.
- Mentored healthcare professionals on patient safety and risk management principles.

The Manager of the Central Quality Directorate, Ain Shams University Hospitals

| Jan 2023 – Present

- Overseeing quality performance across all ASU hospitals
- Coordinating with hospital leadership to implement system-wide quality strategies.
- Reviewing the policies and procedures to ensure standard centralized work in ASU hospitals.
- Ensuring the continuous improvement in the hospitals.
- Led the successful GAHAR provisional accreditation preparation for Al Obour Hospital (April 2025).
- Led the successful GAHAR full accreditation preparation for Ahmed Shawky Geriatric Hospital (April 2023) to be the first university hospital to get the full accreditation in Egypt.

Head of Quality Unit, Ahmed Shawky Geriatric Hospital | Feb 2021 – Aug 2022

- Designed and implemented quality and risk management systems from scratch.
- Led the hospital to successful GAHAR registration (July 2022).

Senior Healthcare Quality Specialist

Central Directorate of Quality – ASU | June 2020 – Feb 2021

Supported and supervised quality systems in multiple hospitals to achieve accreditation and registration.

Healthcare Quality Coordinator

Cardiothoracic Surgery Hospital | 2017 – 2020

Implemented quality standards and coordinated accreditation-related activities.

Demonstrator – Community Medicine Department

Ain Shams University | 2017

Taught undergraduate and postgraduate students under academic supervision.

Physician

Primary Healthcare Unit | 2016

Provided general medical care and managed patient consultations.
