Career Development & Experience

I am **Ahmed Ali Hassan**, graduated from Ain Shams medical school and got Bachelor degree in medicine and surgery, Dec., 1991. Then, I achieved Master degree in general surgery in May, 1996. Then, I got Doctorate degree in plastic surgery, Ain Shams University, November 2002. In 2000, I spent 6 months in the laboratories of cell culture in University of Michigan, Ann Arbor, and meanwhile I worked as observer to different plastic surgery procedures in the hospitals of University of Michigan, USA. I started my practical and academic career 25 years ago during which I achieved many scientific publications in plastic surgery. Since, 2012 and till now I am working a professor of plastic and Maxillofacial surgery, Ain Shams University, Cairo, Egypt.
