- **Supervising the practical training for students of the Professional Diploma in Quality Assurance for the academic year 2019-2020 / 2020-2021 / 2020-2021 / 2021-2022 / 2022-2023 / 2023-2024.**
- **Coordinator and member of the examiner's committee for the subject of practical applications in total quality management second semester for the academic year 2019-2020, 2020/2021, 2020/2021, 2021/2022, 2022/2023, and 2023/2024.**

## **Contributing to the development of courses and teaching methods :**

- **Bachelor's degree course update for maternal and neonatal health nursing third year first and second semester for the academic year 2018-2019, 2022/2023**
- **Updating a bachelor's course for gynecology, third year, first, and second semester for the academic year 2020-2021**
- **Participation in the development of question banks for the maternal and neonatal health nursing course within the competition launched by the Measurement and Evaluation Centre at the Higher Education Development Project Management Unit for the academic year 2019-2020**
- **Participation in preparation of course specification of the Postgraduate Diploma in Midwifery course (Practical Applications in Midwifery 1) for postgraduate students for the academic year 2019/2020.**
- **Participation in the gynecology course that was examined online on the Correct system in the electronic laboratories for the academic year 2021-2022 second semester**

- **Participation in the committee for the preparation of the description of the third-year courses in the Department of Maternal and Neonatal Health Nursing based on competencies for the academic year 2021-2022**
- **Participation in the preparation of the competency-based course description for the condensed program in theoretical women's nursing for the academic year 2021-2022.**
- **Participation in the preparation of the competency-based course description for the gynecology course for third-year students for the academic year 2021-2022.**
- **Participate and work as a coordinator in preparing the five-year community plan for the Maternal and Neonatal Health Nursing Department**

### **Foreign assignments**

- **Assignment to teach theoretical women's nursing at the Technical Institute affiliated to the Faculty of Nursing at Ain Shams University for the academic year 2019-2020.**
- **Assignment to teach maternal and neonatal health nursing to the students at the Specialization Institute for the academic year 2018-2019 / 2020-2021 / 2021-2022 / 2022-2023.**

### **Specialized programmes at the college:**

- **Participation in teaching and setting the theoretical exam for the biology course for the students of the condensed program for the first and second cohort of the introductory semester for the academic year 2018/2019 - 2019/2020.**
- **Participation in teaching and setting the theoretical exam for the maternal and neonatal health nursing course for the sixth cohort of the mother and child division for the second semester of the academic year 2018-2019.**
- **Participation in practical training and supervision of students of the specialized program Mother and Child Division of the Women and Obstetrics Hospital, Ain Shams University for the academic year 2018-2019.**

- Participation in teaching the theory, setting the exam, and supervising the practical for students of the bridging program in nursing for the academic year 2019-2020.
- Participation in teaching the theory, setting the exam, and supervising the practical for the students of the specialized program in the subject of nursing surgery and operations of women and obstetrics for the sixth batch 2019-2020.
- Participation in teaching, setting the theoretical exam, and supervising the practical for the maternal and neonatal health nursing course for the students of the specialized program, Operations Division, the seventh batch, sixth semester for the academic year 2020-2021.
- Participation in teaching the theory, setting the exam and supervising the practical for the students of the bridging programme of maternal and neonatal health nursing for the second semester of the academic year 2020-2021.
- Participation in teaching theoretical obstetrics and gynecology nursing for the students of the seventh cohort of the emergency department for the second semester of the academic year 2020-2021.
- Participation in teaching theoretical obstetrics and gynecology surgery and operations nursing for the students of the specialized programme of the Operations Division, seventh cohort, sixth semester 2021-2022.
- Participation in supervising the practical training of the theoretical women's nursing course for the seventh batch of the sixth semester 2021-2022.
- Participation in teaching and setting the theoretical exam for the maternal and neonatal health nursing course for the pilot programme for the tenth batch, second semester 2022-2023.
- Participate in the practical training of the students of the pilot programme, the tenth batch, second semester 2022-2023.
- Participate as a coordinator of the theoretical and practical maternal and neonatal health nursing course for the tenth cohort of the bridging program, second semester 2022-2023.
- Participation in teaching and setting the theoretical exam for the Maternal and Neonatal Health Nursing course for the specialized program, ninth batch, second semester 2022-2023.

- Participate in the practical training for the students of the specialized programme, ninth batch, second semester 2022-2023.
- Participation as a coordinator of the theoretical and practical maternal and neonatal health nursing course for the ninth batch of the specialized programme, second semester 2022-2023.

### **The intensive program :**

- Participate in teaching and setting the theoretical exam for maternal and neonatal health nursing for students of the intensive programme for the academic year 2020-2021.
- Participate in teaching and setting the theoretical exam for the Maternal and Neonatal Health Nursing course for students of the intensive programme for the fourth semester of the academic year 2021-2022.
- Participate in teaching the practical women's nursing course and supervise the practical training for students of the intensive programme at the Women and Obstetrics Hospital - Ain Shams University and participate in the final practical exam for students of the intensive programme 2021-2022
- Coordinator of the practical women's nursing course for students of the intensive programme 2021-2022.
- Participate in teaching the practical women's nursing course and supervise the practical training of students of the intensive programme at the Women and Obstetrics Hospital - Ain Shams University and participate in the final practical exam for students of the intensive programme 2022-2023.
- Coordinator of the practical women's nursing course for students of the intensive programme 2022-2023.
- Academic coordinator for the intensive programme students for the academic year 2020-2021 / 2021-2022 / 2022-2023.

### **Commitment to exams and Counter**

- Member of the Condensed Programme Control for the academic year 2019-2020 / 2020-2021 / 2021-2022 / 2022-2023, 2023-2024.
- Member of the Cumulative Condensed Programme Control for the academic year 2020/2021 - 2021/2022 - 2022/2023.

- Condensed Programme Control Officer for the January and May sessions for the academic year 2021-2022, 2023-2024.
- Head of the Condensed Programme Control for the academic year 2022-2023, 2023-2024.

### Written and translated books that have a deposit number at the Book House:

Participate in the preparation and publication of the following:-

Book	Publishing	Deposit Number	Academic Year
Biology Book for Condensed Programme	National Library and Archives	20038 الترقيم الدولي 978-977	2019-2020
Maternal and Newborn Health Nursing Book for Third Year Maternity Nursing	um Al-Qura	21730	2019-2020

Maternal and newborn health nursing book for the second year of the Specialised Technical Institute (Basics of Maternity Nursing).	um Al-Qura	28515 الترقيم الدولي 978-977-94-44040	2022-2023

## **Training courses, workshops and scientific missions :**

### **Participate by attending training courses and workshops:**

- Attend a workshop on Microsoft 365 at 27/4/2019
- Attend a workshop within the activities of the Postgraduate Studies and Research Sector at the Faculty of Nursing, Ain Shams University, entitled
- How to Develop Course Specification) 22/10/2019
- Attend a workshop within the activities of the Graduate Studies and Research Sector entitled Egyptian Knowledge Bank held at the Faculty of Commerce, Ain Shams University. From 13.12 November 2019.
- Attending a workshop within the activities of the Graduate Studies and Research Sector entitled Elsevier Research & Health Solutions - EKB Tour at Cairo University.13/11/2019
- Attend a workshop within the activities of the Graduate Studies and Research Sector entitled Techniques for Creating an Online Meeting held online.21/1/2020
- Attend a workshop within the activities of the Graduate Studies and Research Sector entitled Information Protection and Security held online. 8/2/2020
- Attending a workshop within the activities of the Postgraduate Studies and Research Sector entitled E-Tests from within the university email, which was held online. 21/4/2020
- Attending a workshop within the activities of the Graduate Studies and Research Sector entitled Creating an e-course and techniques of broadcasting presentations, which was held online. 11/7/2020
- Attending a workshop within the activities of the Graduate Studies and Research Sector entitled Microsoft Teams, which was held online. 29/7/2020
- Attend a workshop within the activities of the Graduate Studies and Research Sector entitled Digital Signature, which was held online. 29/7/2020
- Attend a workshop within the activities of the Graduate Studies and Research Sector entitled Microsoft Teams, which was held online. 9/9/2020
- Capacity development workshop on updated family planning guidelines
- Attending a capacity development workshop on updated family planning guidelines from the World Health Organization. 12-15/9/2020

- **Attend a workshop within the activities of the Information Technology Unit at Ain Shams University entitled Techniques of using the Microsoft Teams application, which was held online. 10/4/2021**
- **Attending a workshop within the activities of the Information Network and Digital Transformation Centre entitled Getting to know the Power Apps application, which was held online. 5/5/2021**
- **Attend a workshop within the activities of the Information Network, Digital Transformation and Information Technology Centre at Ain Shams University on the second part of the Power Apps application, which was held online.11/6/2021**
- **Attending a workshop within the activities of the Graduate Studies and Research Sector entitled How to use CAMTASIA STUDIO, which was held online.29/8/2021**
- **Attend a seminar entitled International Publishing within the cultural activities of the Department of Internal Surgical Nursing, Faculty of Nursing, Ain Shams University.20/11/2021**
- **Attend a seminar entitled (Early detection of breast cancer and new treatment methods) as part of the environmental activities plan of the Department of Internal Surgical Nursing, Faculty of Nursing, Ain Shams University.26/5/2022**
- **Attending a workshop within the activities of the Digital Library at Ain Shams University entitled Utilising the Digital Library Services held online. 1/7/2022**
- **Attend the scientific lecture entitled "Writing and publishing scientific articles in Scopus" held through the electronic platform Zoom - the platform for researchers and academics - IFAD. 12 July 2022**
- **Attend the scientific lecture entitled "Fundamentals of Scientific Publishing" held via Zoom - the platform for researchers and academics - IFAD. 18 July 2022**
- **Attend the scientific lecture entitled "How to document in the body of the study in APA style" held through the electronic platform Zoom - the platform of researchers and academics - IFAD and the International Foundation for Academic Development (IFAD). 20/7/2022**
- **Attend the scientific lecture entitled "Packing the list of sources and references using APA" held via Zoom - the platform for researchers and academics - IFAD.23 July 2022**

- **Attend the scientific lecture entitled "The Chicago system in documenting books, periodicals and university theses" held through the electronic platform Zoom - the platform for researchers and academics - IFAD. 27 July 2022**
- **Attend the scientific lecture entitled "Zotero Application in Scientific Documentation" held through the electronic platform Zoom Application - Researchers and Academics Platform - IFAD. 1 August 2022**
- **Attend the scientific lecture entitled "Scientific publishing methods in the global publishing repositories Scopus and Web of Science" held through the electronic platform Zoom - Researchers and Academics Platform - IFAD. 4 August 2022**
- **Attend the scientific lecture entitled "Method, Tool and Approach in Scientific Research" held through the electronic platform Zoom - Researchers and Academics Platform - Efad. 5 August 2022.**
  
- **Attend the scientific lecture entitled "Documenting References Using Mendeley" held via Zoom - the platform for researchers and academics - Efad. 8 August 2022**
- **Attend the scientific lecture entitled "The Mechanisms of Thinking Between the Illuminations of the Mind and the Revelations of Research" held through the electronic platform Zoom - the platform for researchers and academics - Efad. 10 August 2022**
- **Attend the scientific lecture entitled "Secrets of Scientific Publishing and International Classification" held through the electronic platform Zoom App - Researchers and Academics Platform - Efad. 10 August 2022**
- **Attend the scientific lecture entitled "60 Minutes in Statistical Analysis" held through the Zoom App-Researchers and Academics Platform -IFAD. 10August 2022**
- **Attend the scientific lecture entitled "Mechanisms of designing scientific research tools" held through the electronic platform Zoom - the platform of researchers and academics - Efad. 16 August 2022**
- **Attend the scientific lecture entitled "Questionnaire Design in Scientific Research" held through the Zoom App - Researchers and Academics Platform - IFAD. 21 August 2022**

- **Attend the scientific lecture entitled "Contemporary Issues and Prospects of Scientific Research" held through the Zoom App - Researchers and Academics Platform - IFAD.21 August 2022**
- **Attend the scientific lecture entitled "The Scientific Portfolio of the Doctoral Researcher" held through the electronic platform Zoom - the platform for researchers and academics - IFAD. 23 August 2022**
- **Attend the scientific lecture entitled "Terminology is the key to science" held through the electronic platform Zoom - the platform for researchers and academics - Efad.26 August 2022**
- **Attend the scientific lecture entitled "Necessities of Scientific Research" held via Zoom - the platform for researchers and academics - IFAD. 1 September 2022**
- **Attending the scientific lecture entitled "Big Data and its Uses in Scientific Research" held via Zoom - the platform for researchers and academics – IFAD. 1 September 2022**
- **Attend the scientific lecture entitled "Participation Skills in Scientific Conferences and Seminars" held through the electronic platform Zoom App - Researchers and Academics Platform - Efad. 3 September 2022**
- **Attend the scientific lecture entitled "Historical Approach in Scientific Research" held through the Zoom App - Researchers and Academics Platform - EFAD. 6 September 2022**
- **Attend the scientific lecture entitled "Documentation Methods in Scientific Research: Using the Mendeley Programme as a Model" held via Zoom - the platform for researchers and academics - Efad. 6 September 2022**
- **Attend the scientific lecture titled "Formulating Scientific Research Hypotheses" held via Zoom - the platform for researchers and academics - Efad. 9September 2022**
- **Attend the scientific lecture entitled "Scientific plagiarism in research, its concept and methods of combating it" held through the electronic platform Zoom - Researchers and Academics Platform - IFAD. 13 September 2022**
- **Attend the scientific lecture entitled "The Problem of Research between Natural Sciences and Humanities" held through the electronic platform Zoom - the platform of researchers and academics - IFAD and the International Foundation for Academic Development (IFAD). 17 September 2022.**

- Attend the scientific lecture entitled "Techniques of editing the scientific article and its quality standards" held through the electronic platform Zoom - the platform for researchers and academics - IFAD. 28 September 2022.
- Attend the scientific lecture entitled "International Scientific Publishing Requirements" held through the electronic platform Zoom App - Researchers and Academics Platform - IFAD and the International Foundation for Academic Development.8/12/2022
- Attend the scientific lecture entitled "Creating the Scientific Mind" held via Zoom - the platform for researchers and academics - IFAD. 10 December 2022
- Pass the training programme entitled 2023 African Genomic Medicine Training Initiative Course in cooperation with the University of Cape Town and Ain Shams University Faculty of Nursing over a period of 3 months from 13 March to 14 June 2023.
- Attend the scientific lecture held through (SCHOBOT Researchers' Assistant Robot) under the title Using artificial intelligence tools to develop scientific research and generate research ideas course.24/4/2023
- Attend the scientific lecture entitled "Methods of formulating research ideas and modern trends in scientific research" held through Zoom - the platform for researchers and academics - IFAD and the International Foundation for Academic Development (IFAD). 3/5/2023
- Attend the scientific lecture held at Umm Al Doctors Hospital in Dokki. With the title MCFC Educational Workshops in Clinical Breast-Feeding Management & IYCF. 15/5/2023
- Attend the scientific lecture entitled "Towards Effective Educational Leadership" held via Zoom - the platform for researchers and academics - IFAD.25 May 2023
- Attend the scientific lecture entitled "Digitizing Research Identity" within the activities of the Scientific Forum (Scientific Research: Present Stakes and Future Prospects) held through the electronic platform Zoom App - Researchers and Academics Platform - IFAD. From 10 to 15 June 2023
- Attend the scientific lecture entitled "Skills of using the statistical analysis programme SPSS" within the activities of the scientific forum (Scientific Research: Current Challenges and Future Prospects) held through the electronic platform

**Zoom - the platform of researchers and academics - IFAD and the International Foundation for Academic Development (IFAD). From 10 to 15 June 2023**

- **Attend the scientific lecture titled "Research Chairs as a gateway to enhance scientific cooperation and community partnership" held via Zoom - the platform for researchers and academics - IFAD. 14 June 2023**
- **Attend the scientific lecture entitled "Localization of social sciences in the Arab world between the possibility of implementation and the difficulties of implementation" held through the electronic platform Zoom - the platform of researchers and academics - IFAD. 22 June 2023**
- **Attend the scientific lecture titled "Skills of Presenting and Coordinating Scientific Research" held through Zoom - the platform for researchers and academics - IFAD. 24 June 2023**
- **Attend the scientific lecture entitled "Writing research and documenting references according to the APA 7th edition" held through the Zoom application - Researchers and Academics Platform – IFAD 6 July 2023**
- **Attend the scientific lecture entitled "Brainstorming and its role in scientific research" held through the electronic platform Zoom - the platform for researchers and academics - IFAD and the International Foundation for Academic Development. 14 July 2023**
- **Attending the scientific lecture entitled "Artificial Intelligence: What will be the future of scientific research?" held via Zoom - the platform for researchers and academics - IFAD. 23 July 2023**
- **Attend the scientific lecture titled "Database for Leading Scientists and Experts" within the celebration of the platform's strategy for its third year and held through the electronic platform Zoom App - Researchers and Academics Platform - IFAD. 23 July 2023**
- **Attend the scientific lecture entitled "Scientific Plagiarism and Scientific Research Ethics" held through the electronic platform Zoom App - Researchers and Academics Platform - IFAD. 1 August 2023**
- **Attend the scientific lecture entitled (Time Management in Scientific Research) held through the electronic platform Zoom - the platform of researchers and academics - IFAD. 3 August 2023**

- Attend several workshops related to scientific research through N.T.C (Nedaa Training & consulting center) during the month of Ramadan 2023
- Passing the training programme entitled Legal Aspects in University Business - Faculty Members - Distance Learning System - Training and Development Centre - Ain Shams University. 14-15/6/2023
- Pass the training programme entitled Capacity Development for Internationalization - by distance learning system - Training and Development Centre - Ain Shams University. 14-15/8/2023
- Pass the training programme entitled Managing A Research Team - Distance Learning System - Training and Development Centre - Ain Shams University. 23-24/8/2023

#### **Participating in the organization of seminars and workshops:**

- Active participation as the organizer of an awareness seminar entitled (Gestational Diabetes), which was given to women in pregnant clinics in the outpatient clinics of the Obstetrics and Gynecology Hospital - Ain Shams University within the activities of the Community Service and Environmental Development Unit.3/12/2019
- Active participation as an organizer in special awareness seminars on (how to use fire extinguishers and methods of confronting fires) within the activities of the Crisis and Disasters Unit in cooperation with the Community Service and Environmental Development Affairs Sector. 4/3/2020
- Active participation as a coordinator and organizer of the statistics course for doctoral students within the activities of the Information Technology Unit.30/9/2020
- Active participation as the organizer of an awareness seminar entitled the impact of the novel coronavirus (COVID-19) on reproductive health. 10/11/2020
- Active participation as the organizer of an awareness seminar entitled How a woman with (Covid-19) deals with the newborn and the precautionary guidelines that must be followed during breastfeeding. 19/4/2021
- Active participation as a coordinator and organizer of the statistics course for doctoral students within the activities of the Information Technology Unit.10/11/2021

- Active participation as a coordinator and organizer of the statistics course for graduate students within the activities of the Information Technology Unit. Thursday 9/12/2021
- Participation as a coordinator and organizer of the family planning course held at the Faculty of Nursing, Ain Shams University for graduates of technical institutes in cooperation with the World Health Organization led by Prof. Dr. Nasser Al-Khouli. In the period from 19 to 22/12/2022
- Active participation as a coordinator and organizer of the statistics course for doctoral students within the activities of the Information Technology Unit. Thursday 23/12/2021

#### **Participation as a speaker in seminars and workshops:**

- Participation in a seminar entitled the academic problems facing university students and the ten keys to overcome them 14/10/2019
- Active participation in an awareness seminar entitled Awareness of proper sleep methods and how to apply these methods within the activities of the Community Service Unit in cooperation with Saad Zaghloul Primary School 30/10/2019
- Active participation in a seminar entitled Prevention of anemia during pregnancy 3/12/2019
- Active participation in delivering an awareness seminar entitled Ways to prevent the Corona virus within the activities of the Community Service Unit in cooperation with the College of Girls for Arts, Sciences and Education 28/9/2020
- Active participation by giving a lecture within the awareness seminars for students entitled Methods of preventing the emerging Corona virus within the activities of the Crisis and Disaster Management Unit in cooperation with the Community Service and Environment Affairs Sector 20/10/2020
- Active participation by delivering a seminar entitled Basic Prevention Measures against Coronavirus (COVID-19) between the health team and its workers 27/10/2020
- Active participation in a seminar entitled How to live with Corona at the Faculty of Girls for Arts, Science and Education - Ain Shams University 2/11/20
- Participation in a seminar entitled E-learning strategies and models to develop the educational process among university students 17/3/2021

- **Active participation in a seminar entitled "Reproductive Health and the Danger of Early Marriage" within the activities of the Al-Weli convoy. 10/8/2021**
- **Active participation by delivering a seminar entitled "Cyberbullying".2/11/2022**
- **Active participation in a seminar entitled "Modern Trends for Diabetes" within the activities of the celebration of World Diabetes Day 22/11/2022**
- **Active participation by delivering a seminar entitled" Motivational tips to discover your hidden creativity 23/11/2022**

### **International and local conferences**

- **Participation in the activities of the eighth annual scientific conference of Ain Shams University under the title Creativity - Innovation - Industry in the period from1 to 3 April 2019**
- **Active participation in attending the annual international conference of the Police Hospital in Agouza under the title: Police ObGyn Nursing Symposium, which was held at the Cairo Marriott Hotel in the period from7-8/9/2019**
- **Participation in the first scientific conference of the Department of Maternal and Child Health Nursing, Faculty of Nursing - Modern University entitled:**
- **Challenges and initiatives for promoting women's reproductive health and beauty October 31, 2019**
- **Participation in the ninth annual international scientific conference of Ain Shams University6 to 8 April 2021**
- **Participation in attendance: The 9th international and 3rd virtual scientific nursing conference of faculty of nursing – Menoufia University Titled Foreseeing Nursing Future During Metaverse) November 15-16, 2022**
- **Participation in the international conference at the Triumph Hotel in Zamalek entitled: Heart, Diabetes & Kidney: Make the Link from 15 to 17 December 2022**
- **Participation in the activities of the eleventh annual cultural festival for the environment, which is organized by the Community Service and Environmental Development Affairs Sector, Faculty of Nursing - Ain Shams University. 7/5/2023**
- **Participation in the eleventh annual international conference of Ain Shams University.May 10 to 11, 2023**

### **B- Participation in the college / department conference as an organizer:**

- Active participation as an organizer in the sixth annual conference of the department entitled " Exploring The Challenges in Women's Health and Midwifery Care.23/4/2019
- Active participation as an organizer in the international conference of Ain Shams University 14th International Congress Toward Achieving Eminence in Nursing: Education, Research, and Management. 9-10/10/2019
